Phantom *Plus*

Swivel lounge chair
& matching footstool

MADE TO ORDER IN MALAYSIA

Turns with you.
Returns on its own.

Phantom Plus is a high-back lounge chair made for long, slow evenings. A wing headrest cradles your head and neck, the seat swivels a full 360°, and when you stand up, an auto-return mechanism quietly brings it back to face forward.

Add the matching footstool, put your feet up, and stay a while.

05 Specification

Built to hold you. *Made to last.*

01

Wing headrest

Wraps around to support your head and neck.

02

Solid wood frame

A rigid wooden structure inside the shell.

03

High-density foam

Firm, supportive and holds its shape.

04

Auto-return swivel

Turns 360°, then returns to face forward.

05

Aluminium base

Strong and light, in a black finish.

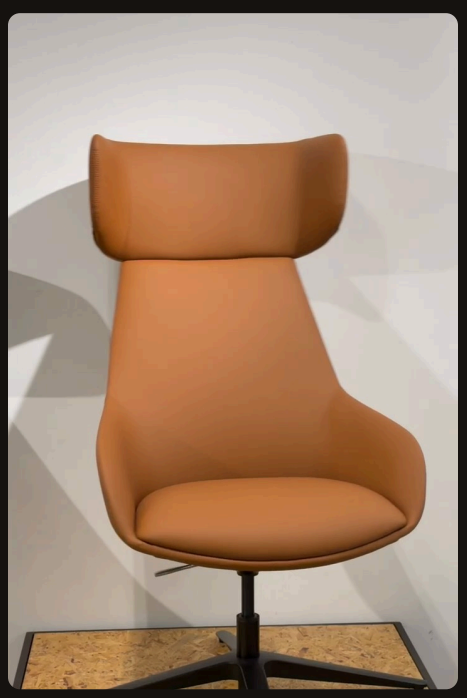

06

Matching footstool

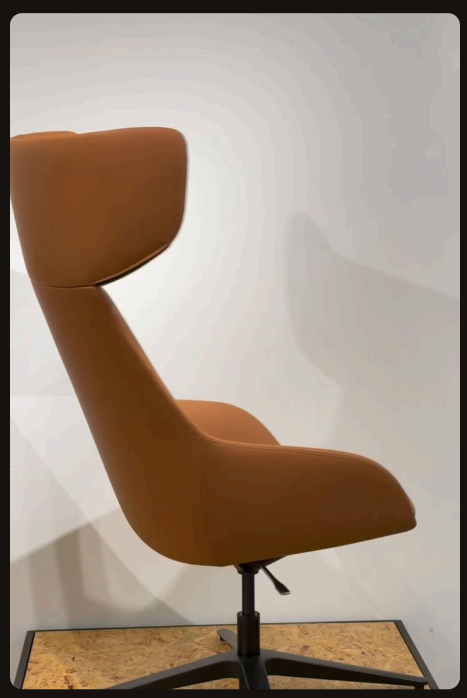

Same upholstery, on its own swivel base.

Turn freely.
Let go, and it comes home.

0° · AUTO-RETURN

TOP VIEW

Turn to face the window, the TV or the person beside you. When you stand up, the auto-return mechanism gently rotates the seat back to its starting position.

At home, the room stays neat. In meeting rooms, lounges and hotel lobbies, every chair is always facing the right way.

FRAMES FROM REAL FOOTAGE · MODULAH KL SHOWROOM

Three ways *to wear it.*

Fabric

Soft, breathable and warm to the touch. The widest choice of colours and textures.

WIDE COLOUR RANGE

PU leather

The clean look of leather that wipes down in seconds. Easy for busy homes and offices.

WIPE-CLEAN

Genuine leather

Rich and supple. It softens with use and develops a character of its own over the years.

AGES BEAUTIFULLY

Every material comes in a range of colours. Swatch cards are available at our showroom.
